

Overview of the European Sealants Market

8th Edition

Publication: July 2013

Price: €4,000

IAL Consultants is pleased to announce the publication of the latest edition of its in-depth market report on the European Sealants Industry.

The geographical scope covers 15 Western European and 8 Eastern European countries:

Western Europe

- Austria
- Belgium
- Denmark
- Finland
- France
- Germany
- Ireland
- Italy
- Netherlands
- Norway
- Portugal
- Spain
- Sweden
- Switzerland
- UK

Eastern Europe

- Czech Republic
- Hungary
- Poland
- Romania
- Russia
- Slovakia
- Slovenia
- Turkey

The report is available as a single volume, covering each of the major end-use sectors.

The report provides:

- Consumption (volume) for 2012 by type, country and end-use sector
- Forecast sealants consumption to 2017
- Significant technical developments in the sealants market
- Trends and factors affecting consumption in each end-use industry
- Listings of key suppliers by end-use sector
- Profiles of major European suppliers
- Directory of key suppliers

The information contained in this report is based upon:

- IAL's extensive in-house database, built up from over 40 years of experience in the field
- A programme of in-depth interviews with sealants formulators, distributors and raw materials suppliers
- Information from relevant trade associations and publications

IAL's report provides a valuable tool to strategic planners, business analysts and marketing managers involved in the manufacture, distribution and marketing of raw materials and sealant products.

CONTENTS

1. Introduction

2. European Summary

- Total European Market 2012 and 2017 (Tabular Form)
- Summary of Trends and Influences
