PRESS RELEASE

15 MAY 2006

DIRECTORY OF POLYURETHANE SYSTEMS HOUSES IN ASIA-PACIFIC

IAL Consultants has recently published its second edition of its *Directory of Polyurethane Systems Houses in Asia Pacific*.

The directory provides detailed company profiles for the six leading polyurethane companies in the region (BASF Bayer, Dow, DIC, Huntsman and Mitsui Takeda) and shorter company profiles on 120 PU systems houses throughout the Asian region. It includes companies producing polyurethane systems for flexible foam, rigid foam, coatings, adhesives, sealants, elastomers etc

Typical profiles provide full contact details (with a named contact), an outline of the main types of output and applications, ownership indications, number of employees, annual turnover, trade names, production capacity and distribution activities.

Countries covered in the directory include:

- Australia
- China
- India
- Indonesia
- Japan
- Malaysia
- Pakistan
- Singapore
- South Korea
- Taiwan
- Thailand

The directory is now available from IAL Consultants, priced at €1,800.
