Directory of PU Systems Houses in Asia-Pacific 2011

15% DISCOUNT for Contributors and Purchasers of Previous Editions

Published: November 2011

Price: €1,500

IAL Consultants has published an updated, detailed directory of companies involved in the manufacture of polyurethane (PU) systems covering Asia-Pacific.

The role of systems houses is of major importance in the development of the polyurethane market in new and emerging markets. Local suppliers of systems act as an essential intermediary between processors and manufacturers of machinery, additives or basic chemicals.

Therefore this directory acts as a valuable list of potential customers for all suppliers to the polyurethane industry, and brings together in one convenient source the most up-to-date information available on more than **120 independent systems houses** across the region, including the following countries:

- Australia
- China
- India
- Indonesia
- Japan
- Malaysia
- Pakistan
- Singapore
- South Korea
- Taiwan
- Thailand

In addition, summary information is also included for the following major manufacturers of systems:

- BASF Polyurethanes
- Bayer (BaySystems)
- Dainippon Ink & Chemicals
- Dow Polyurethanes
- Huntsman Polyurethanes
- Mitsui Chemicals Polyurethanes

This publication provides profiles of both major and smaller independent PU systems houses.

Each company profile is based on the following information:

- Contact details
- Ownership details
- Number of employees
- Annual turnover
- Annual production capacity
- System types and applications
- Trade names
- Details of sales offices/agencies/distributors
- Website address
