

NEW IAL DIRECTORY

Directory of the Global Metallocenes Industry – 1999

Published: November 1999

Price: £475

<p>IAL Consultants has published a new, detailed directory on the global metallocenes sector. This publication brings together in one convenient source, the most up-to-date information on the organisations that are active in metallocenes technology.</p> <p>This directory contains over 80 profiles with the following:</p> <ul style="list-style-type: none">• Polyolefin producers• Universities and institutes• Machinery manufacturers• Additives producers• Testing laboratories• Catalyst manufacturers <p>We have identified and profiled organisations that are active in the research, testing and manufacture of metallocene-catalysed polyolefins in the following geographical areas:</p> <ul style="list-style-type: none">• Europe• The Americas• Asia-Pacific• Middle East <p>In addition to the profiles, the directory also contains an overview of the current market for metallocene-catalysed polyolefins, including market size and trends.</p> <p>Each polyolefin producer profile provides the following:</p> <ul style="list-style-type: none">• Company overview• General annual polymers capacity	<ul style="list-style-type: none">• Metallocene polymers annual capacity, trade names, process trade names and production sites• Details of metallocene-related joint ventures• Details of metallocene-related collaborations and technology deals• Future developments• Details of metallocenes R&D involvement and pilot plants for those polymer producers not currently at a commercial stage of development• Contact details <p>Each university/institute profile provides the following:</p> <ul style="list-style-type: none">• Areas of metallocenes activity• Details of metallocene-related collaborations with other institutes• Details of metallocene-related collaborations with commercial companies• List of recent scientific papers published relating to metallocenes (full reference)• Key contact details <p>Profiles for machinery manufacturers, additives producers, testing laboratories and others, provide the following:</p> <ul style="list-style-type: none">• Range of metallocene-related products and brief description• Details of metallocene-related collaborations and technology deals• Worldwide locations• Contact details

Directory of the Global Metallocenes Industry – 1999

Contents

- | | |
|----------------------------------------------|-------------------------------------------------------------------|
| 1. Introduction | 5. Profiles of Major Additives Producers |
| 2. Global Market Review | 6. Profiles of Major Catalyst Suppliers |
| 3. Profiles of Major Polyolefin Producers | 7. Profiles of Major Universities/Institutes |
| 4. Profiles of Major Machinery Manufacturers | 8. Profiles of Major Testing Laboratories and Other Organisations |

ORDER FORM

I wish to purchase:

Directory of the Global Metallocenes Industry £475 (four hundred and seventy five pounds Sterling)

Postage and Packing UK £10 Overseas £30 Courier

I enclose a cheque I have arranged a bank transfer Invoice my company

IAL Consultants, bank details:

HSBC Plc, 20 Eastcheap, London EC3M 1ED, Account No. 01215469, Sortcode 40 02 31
Swiftcode: MIDLGB22

Charge my Visa/MasterCard

Name of cardholder Card No.

Address of cardholder Expiry Date

.....

Name..... Address.....

Position.....

Company.....

Telephone..... Fax.....

Signature..... Date.....

EC COUNTRIES ONLY: Please supply your VAT registration No.....

PLEASE POST OR FAX THIS ORDER FORM TO:
